

# Prepare For War

## *The Next Series Of End Time Wars*

by Pastor Norm Franz

Ever since the LORD (יהוה) destroyed Satan's first attempt at a one world order under Nimrod at the Tower of Babel ([Gen. 11:1-9](#)), the devil has been working to reestablish a Nimrod style New World Order (NWO) under the kings and rulers (political and financial elite) of the earth ([Ps. 2](#)). Consequently, the world has been transitioning from one world order (system) to another down to this very day.

Satan's tool of choice for moving this transition forward is the 'Hegelian Dialectic' which theorizes that: **Thesis + Antithesis = Synthesis**. In other words, **Crisis** begets **Solutions** which begets **Change** to a new order.

The concept of this dialectic is based on the unity of opposites that come together in agreement after crises irrevocably damage the status quo. It applies the ancient Greek philosophy that everything is in a state of constant change which produces an endless cycle of progressive transformation from one order to the next. Unfortunately, the two major *theses* (crises) in the devil's quiver are financial crisis and war, which he uses to overturn the existing basis of society and force the nations into a new order of things.

### ***The War On Cash***

King Solomon, who was arguably the wisest man to ever walk the planet, offered an irrefutable truth when he said "*money is the answer to everything*" (Eccl. 10:2b <sup>NASB</sup>). In other words, everything pertaining to man's function in life is enabled and governed by money. President James Garfield applied the truth of this theme to the nations when he said, "He who controls the money supply of a nation controls the nation."

In this same vein, and in light of man's relentless quest for a New World Order, I would like to offer yet another irrefutable truth by saying, "Whoever controls the global money supply controls the world."

### **Global Currency Controls**

Governments and big bank globalists are working to get control of all money and wealth everywhere. One of the ways they are doing this is by systematically eliminating paper currencies and moving global banking and investment transactions into a cashless monetary system that stores, moves, tracks and taxes all money and investments through a closed digital system.

For example, the European Union recently discontinued printing their 500 euro note. France just lowered the nation's cash transaction limit from 3,000 Euros to 1,000 Euros. Spain has banned all cash transactions above 2,500 Euros, and Italy has banned all cash transactions above 1,000 Euros, all of which are draconian....

### Prepare For War

Worldly kings and leaders have always used war as a major element for bringing about changes in the world system as a means of transitioning mankind from one world order to the next. The prophet and King David clearly lays this out as an ageless theme among the conspiring elite who seek to rule the world:

“Rescue me, O LORD, from evil men; preserve me from violent men who devise evil things in *their* hearts; they continually stir up wars. They sharpen their tongues as a serpent; poison of a viper is under their lips.” (Ps. 140:1-3)

We saw this demonic process kick into high gear in 1990 when Iraq invaded Kuwait. In response, America led a global alliance of nations in the first Gulf War against Iraq. This end time war is clearly portrayed in Jeremiah 50 and 51, where the prophet not only prophesies Episode I of the war in Iraq, but multiple episodes that eventually culminate in the total destruction of “*the daughter of Babylon*” ([Jer. 50:41-42](#)).

Episode II of this end time scenario began to take shape after the 9/11/2001 terrorist attack on the United States. That event primed the world for round two of this prophetic battle in 2003 that continues to unfold in the war against ISIS on the plains of Shinar today. (See *Jeremiah’s Iraq War Chronicles* in End Times)

In February 2009, when the newly formed Tea Party began to push back on establishment’s politics, I warned God’s people that a worldwide Bolshevik type revolution, geared toward overthrowing the establishment’s current world order, was going to rise up among the nations.

Following that, on August 7, 2010, the Lord gave me a prophetic word that all financial, political, civil, family and religious order was about to be lost, and that we should prepare for a new round of economic crises and military conflicts to ignite major social, political, and civil disorder on a global scale. Five months later, that shaking began manifesting on the world stage as follows:

► In January 2011, the original “Occupy” movement began in Egypt’s Tahrir Square, when protesters overthrew the government of Hosni Mubarak. By March of 2011, populace disruptions in the form of political protests, civil uprisings, government overthrow, and civil war erupted throughout 14 Muslim countries across North Africa and the Middle East.

The *Occupy* movement framed itself as “an international sociopolitical movement against social inequality and lack of ‘real democracy’ around the world.” Its primary goal is to “advance social and economic justice and new forms of democracy around the world.” Participants see themselves as being part of an anti-establishment populist movement against Globalism and the New World Order (NWO) that ignited the world’s largest geopolitical swing in history. It is based on mob rule and civil uprising that has spread to many other nations.

On October 15, 2011, it manifested in the aggressive, and many times violent, *Occupy* protests in over 951 cities across 82 countries, including over 600 communities in the United States. (Sources: “*Occupy Wall Street protests go global*”, October 15, 2011, The Washington Post; “*October 15, 2011 Global Protests*” documented by Wikipedia).

This approach to government overthrow was confirmed 10 days later in a message of solidarity issued by a collective of Cairo-based occupiers who declared, “We are now in many ways involved in the same struggle...What most pundits call ‘The Arab Spring’

**“They devise injustices, saying, ‘We are ready with a well conceived plot.’”**

**— Ps. 64:6**

has its roots in the demonstrations, riots, strikes and occupations taking place all around the world.” (*The Guardian*, October 25, 2011). In other words, the *Occupy* movement simply took the non-violent push-back spirit of the Tea Party Movement to the next level of civil uprising and began using demonstrations, riots, and civil war to advance its cause.

By the end of 2011, that strategy produced a multi-sided all-out civil war in Syria, where “The United Nations (U.N.) [*has*] identified 13.5 million Syrians requiring humanitarian assistance, of which more than 6 million are internally displaced within Syria, and over 4.8 million are refugees outside of Syria.” This has created the largest humanitarian crisis of our time and disrupted many aspects of financial, political and/or civil order in over 45 countries across four continents. (Sources: *UN Office for the Coordination of Humanitarian Affairs*; “*UNHCR Country Profile and Syria Regional Refugee Response*”)

► On December 18, 2011, the last U.S. troops withdrew from Iraq which produced a political and military vacuum. By early 2014, that vacuum gave rise to the **Islamic State of Iraq and the Levant (ISIL)** that drove the Iraqi army out of major cities and all but surrounded Bagdad. That began a reign of terror against nonbelievers in their form of radical Islam that is rivaled only by Hitler’s Holocaust against the Jews. (*ISIL is best known as the Islamic State of Iraq and Syria (ISIS), a.k.a. the Islamic State (IS), and its Arabic name Daesh.*)

The war against ISIS in Iraq is officially called the *Iraq Civil War* which has spilled over into the *Syrian Civil War*. In Iraq, military forces from Iran, Russia, the U.S., and 13 other countries have joined the fray as Iraqi allies against ISIS. In Syria, however, Russia, Iran and the terrorist group Hezbollah support the Syrian government of President Bashar al-Assad against both ISIS and the revolutionary forces opposing Assad, while the U.S. and NATO support those who oppose Assad. U.S. forces have even launched attacks against ISIS forces in Syria, as well as the Syrian government for its use of chemical weapons. This internal conflict among the Arabs is a manifestation of the prophecy regarding Ishmael, father of the Arab people ([Gen. 16:12](#)).

It is also part of the ongoing fulfillment of the [Psalms 83](#) conflict, where the psalmist prays that Iraq, along with Syria and the other countries of the Levant (Jordan, Lebanon, and Egypt) would be totally destroyed in their quest to destroy Israel. It is important to note that the Psalms 83 conflict has been going on since May 15, 1948, when Egypt, Jordan, Syria, and Iraq attacked Israel after it declared itself an independent nation state. In that war, as well as the 1967 Six Day War and the 1973 Yom Kippur war, all four of those Arab countries were soundly defeated just as the psalmist prayed ([Ps. 83:9-17](#)).

I believe the final phase of their destruction began with the 2011 *Syrian Civil War* which has expanded in the 2014 *Iraq Civil War* against ISIS. [Jeremiah 49](#) and [Isaiah 17](#) offer more details about Syria’s final destruction, and [Jeremiah 50 and 51](#) detail both the 1990-91 and 2003 Iraq Wars, as well as the current civil war in Iraq. In all cases, it appears that Israel ultimately gets involved with the final destruction against these enemies of Zion ([Is. 17:1-3](#); [Jer. 49:23-27](#); [51:19-24](#); [Ez. 25](#)).

## War Cycles Converging

According to the late Larry Edelson's study on war cycles, there are 8.8 and 17.7 year cycles of conflict that are sub-cycles of the larger 53.5 year cycle. Edelson surmises that all three war cycles are scheduled to converge into a period of unprecedented wars between 2014 and 2024. This is important to understand in light of the end time wars and rumors of war Yeshua and the prophets spoke about in Bible prophecy.

In the chart below, I have incorporated my prophetic insights into the ebb and flow of Edelson's study. Simply put, it reveals that the 17.7 year cycle made a major move upward in 2014. That cycle flows into the 53.5 year cycle which crescendos somewhere around 2024. Within those two cycles, the 8.8 year cycle is scheduled to start manifesting sometime between late 2017 and the end of 2019.

this among  
the nations:

war! Let all

**– Joel 3:9**

In my January 2017 prophetic update, *“A Prophetic Look Ahead 2017–2024”*, I identify 12 different conflicts spread across six theaters of war listed below:

### 1. Military Wars

- War in the Levant (Psalms 83 involving Iraq, Syria, Lebanon, Egypt, Jordan, and Israel).
- Russia expansionism that leads to the war of Ezekiel 38 and 39.
- War with Iran who allies with Russia.
- China's expansion that dominates other Asian nations and ultimately builds the 200 million man army that Scripture refers to as *“the kings of the east”* (Rev. 16:12).
- North Korea continues its military buildup and joins China as one of the kings of the east.
- Global Islamic Terrorism which is symbolized by the *“Sword of Allah”* currently manifesting as the sword carried by the rider on the pale horse in the fourth seal. (See *“Apocalypse Now! The Elijah Report, March/April 2016.”*)

### 2. Political and Civil Wars

- Political infighting and ideological conflict that leads to national civil uprising against the government. People feel politicians have not only mishandled the country's affairs, they also feel that government has intruded into their lives in a

draconian tainted manner that grows more oppressive every day. As the citizenry rises up in protest against government's social and financial failure, governments counter by becoming more tyrannical until the people are suppressed or the government is overthrown.

### 3. Ethnic Wars

- Increased conflict between people groups based on race, religion, culture, and ideology.

### 4. High Tech (Cyber) Wars

- Increasing acts of Cybercrime, Physical Threats, Terrorism, Insider Threats, Hacktivism and Nation-State Threats.
- Cyber Players include Cybercriminals, Attention-Seekers, Hacktivists, Jihadi Hackers, and Nation-States including China, Iran, North Korea, Russia, and *The Five Eyes* (U.S., Canada, Britain, Australia, and New Zealand).
- Cyber Targets are Government Systems, Military Agencies, Non-Profits, and Businesses across sectors including Retail, Legal, Energy, Healthcare, Technology, Entertainment, and Telecommunications.
- Geopolitical Flashpoints include the Iranian Nuclear Accord, U.S.-China Relations, Economic Sanctions on Russia, Syrian Conflict, ISIS-related Activity, North Korean Policy, State-Sponsored Cyber Activity, Cyber Security Regulations

### 5. Economic and Financial Wars.

- War on cash where Governments are moving rapidly to eliminate cash and implement a cashless digital monetary system that will control everyone's economic and social behavior. (See *War on Cash* in End Times)
- The war on debt that only produces more debt which is why the world financial system will ultimately collapse.

### 6. Spiritual Wars.

- Increased spiritual warfare between the Kingdom of God and Satan's kingdom.

Here we have everything from political, religious, and ethnic wars, to civil war, international terrorism, a renewed cold war, and major conflicts in the Middle East surrounding Israel's return to the Land that are currently underway. These wars will be further stimulated when governments start to fail financially. At that point, the Hegelian process is to instigate wars between nations in order to redirect people's attention toward something other than their financial distress.

If these wars crescendo between now and 2024, the financial strain on the mammoth \$1.5 quadrillion global debt bubble will undoubtedly cause it to collapse, bringing an end to the current world order as we know it. This will create the Hegelian catalyst for the *"ten kings (horns) of the beast"* to arise and create a New World Order ([Dan. 7](#)), which they ultimately hand over to antichrist who fully establishes the *"mystery of the woman and the beast that carries her"* (a.k.a., the Mystery of Babylon—[Rev. 17:1-13](#)).

### Great Shaking vs. Great Tribulation

As I have said before, the various conflicts discussed above are not part of the *Great Tribulation*, but part of the *Great End Time Shaking* that leads the world into the *Great Tribulation*:

*"he will go as a forerunner in the spirit and power of Elijah...to make ready a people prepared for the Lord."*

– Luke 1:17

“I am going to shake the heavens and the earth. I will overthrow the thrones of kingdoms and destroy the power of the kingdoms of the nations; and I will overthrow the chariots and their riders, and the horses and their riders will go down, everyone by the sword of another.” (Hag. 2:23-22 <sup>NASB</sup>)

The writer of Hebrews echoes this prophetic word and adds the understanding of why God does this shaking:

“And His voice shook the earth then, but now He has promised, saying, ‘YET ONCE MORE I WILL SHAKE NOT ONLY THE EARTH, BUT ALSO THE HEAVEN.’ This *expression*, ‘Yet once more,’ denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain. (Heb. 12:26-27 <sup>NASB</sup>)

The only uncreated thing in the universe is YAHWEH and the Laws of His kingdom as outlined in Scripture. Hence, the LORD is using the world’s Hegelian chaos to show us just how evil and unstable the ways of Satan’s kingdoms are. His goal is to call us back to Himself and walk fully in the ways of His “*kingdom which cannot be shaken*” ([Heb. 12:28](#)).

Unfortunately, this transition will be the most painful thing the world has ever experienced, and God’s people must prepare themselves for it in spirit, soul, and body.

### Preparing The Way And The People Of The Lord

At the same time the Lord gave us the 2010 prophetic warning that all order was being lost, He started giving us annual themes to focus our spiritual attention on. Each of which, He has used to ready us for the social, political, and financial chaos that will ultimately unravel the fabric of our world order as we know it.

As the Biblical New Year of Rosh Hashanah began in September 2016, the Lord showed Deborah and me that our focus for 2017 was to “*Prepare the Way and the People of the Lord.*” I believe the Lord gave us this year’s theme in light of the chaotic end time events about to unfold on the earth. In other words, 2017 may be the last full year that God’s people in America and the West have to prepare for the catastrophic chaos that could begin as early as 2018.

Consequently, we must embrace the spiritual forerunner anointing of Elijah that rises up in the last days and calls the people of God back to His Torah:

“Remember the law (*Torah*) of Moses My servant, even the statutes and ordinances which I commanded him in Horeb for all Israel. Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the LORD.” (Mal. 4:1-6; also see Is. 40:4-5).

God is restoring His unshakable kingdom in us by restoring the truths of His unchanging Torah, which leads us “*out of [Babylon]*” ([Rev. 18:4](#)) and prepares us to be “*a people made ready for the Lord*” ([Luke 1:17](#)). ✨
